Prayer to the Holy Spirit

Come Holy Spirit. Join us and strengthen us to be better Christians.
Lead us and guide us now as we share together. Open our hearts to receive
from each other and from you that life that helps overcome our surroundings and
the temptations we face. Holy Spirit, we put our trust in you, and we know we will not be
disappointed. In the name of Jesus we pray, Amen.

Be bold and strong! Banish fear and doubt! For remember, the Lord our God is with you
wherever you go."
